

ICEMAT 2022

February 18-20, 2022
Hobart (Tasmania), Australia
www.icemat.org

2022 4th International Conference on Energy Management and Applications Technologies

2022 4th International Conference on Energy Management and Applications Technologies (ICEMAT 2022) will take place at Hobart (Tasmania), Australia February 18-20, 2022, co-sponsored by University of Tasmania, Australia. These new challenges bring with it new research questions resulting in the need to stimulate the rapid awareness of this very important research field, especially among the young researchers.

Publication and Submission Method

As workshop of ICSEE 2022, accepted full papers will be published into ICSEE 2022 conference proceedings as a special chapter, which will be submitted for EI Compendex, Scopus, Thomson Reuters (WoS), Inspec index, et al.

Welcome to submit your paper via the submission system:
<http://confsys.iconf.org/submission/icemat2022>

Call For Papers

Ecology and Biodiversity Conservation, Environmental Pollution & Management, Renewable Energy Sources, Energy Policy, Modelling and Simulation, Load Modelling, Forecasting and Management, Power Quality and Grounding, Safety, Maintenance and Operation, Distribution System Planning and Reliability, Modelling and Simulation, Load Modelling, Forecasting and Management, Active Filters and Harmonics, Power Supplies, Hybrid Power Systems, Distributed and Co-Generation Systems, Reluctance machines and drives, Permanent magnet machines and drives, ect.
