

ICEMAT 2024

February 2-4, 2024
Brisbane, Australia
www.icemat.org

2024 6th International Conference on Energy Management and Applications Technologies

2024 6th International Conference on Energy Management and Applications Technologies (ICEMAT 2024) will take place at Brisbane, Australia February 2-4, 2024, co-sponsored by University of Tasmania, Australia and Central Queensland University, Australia, as workshop of "ICSEE 2024". These new challenges bring with it new research questions resulting in the need to stimulate the rapid awareness of this very important research field, especially among the young researchers.

Publication and Submission Method

All submissions to the conference will undergo a precise and strict reviewing process. Accepted full papers will be published into Conference Proceedings by **Springer Book Series-Green Energy and Technology**, which will be submitted for **EI Compendex, Scopus**, et al.

ICEMAT 2019-2022 papers has been indexed by **EI Compendex and Scopus** already. ICEMAT 2023 papers has been submitted for EI Compendex and Scopus index. Welcome to submit full paper (publication and presentation) or abstract (presentation only) via: <http://confsys.icnf.org/submission/icemat2024>

Call For Papers

Energy and Environmental: Ecology and Biodiversity Conservation, Environmental Pollution & Management, Renewable Energy Sources, . **Power Generation, Transmission and Distribution:** Generation Systems, Protective Relaying, Modelling and Simulation, Load Modelling. **Power Electronics, Systems and Applications:** Soft switching converters, Multilevel converters, Matrix converters, Emerging topologies. **Renewable Energy Sources and Technology:** Energy Management and Environmental issues, Hybrid Power Systems, Wind Energy Systems, etc.

Conference Committee

Conference Advisory Committee

• Joe Dong, The University of New South Wales, Australia

Conference Chair

• Xiaolin Wang, University of Tasmania, Australia

Conference Organizing Chair

• Mohammad Rasul, Central Queensland University, Australia

Program Chairs

• Firoz Alam, RMIT University, Australia

• Wenming Yang, National University of Singapore, Singapore

• Michael Negnevitsky, University of Tasmania, Australia
